# Progress Report

to

His Excellency Hon. Uhuru Kenyatta, C.G.H.  
President of the Republic of Kenya  
and Commander-in-Chief of the Defence Forces

1st April, 2016 – 30th September, 2016

# **Progress Report**

to

**His Excellency Hon. Uhuru Kenyatta, C.G.H.**  
President of the Republic of Kenya  
and Commander-in-Chief of the Defence Forces

1st April, 2016 – 30th September, 2016

## **ACKNOWLEDGEMENTS**

The National Anti-Corruption Campaign Steering Committee (NACCSC) acknowledges the support and facilitation by the Government of Kenya especially provision of the resources and authorizations necessary for the implementation of the nationwide campaign against corruption. We acknowledge and thank Hon. Prof. Githu Muigai, E.G.H., SC, Attorney-General for policy guidance and advice; and Mr. Njee Muturi, C.B.S., Solicitor-General for technical support and facilitation. We also thank the entire staff in the Office of the Attorney General and Department of Justice for the operational support.

The implementation of campaign activities could not have been possible without the support and facilitation by various National Government Ministries, Departments and Agencies; and the County Governments. The contribution by officers in the Ministry of Interior and Co-ordination of National Government in the Presidency, who supported and facilitated the County Anti-Corruption Civilian Oversight Committees during the implementation of campaign activities, is acknowledged. We also acknowledge the support and participation by County Governments in the implementation of the campaign.

We acknowledge the good work done by Kass FM in the production and transmission of anti-corruption messages during the anti-corruption radio campaign for the Counties in the North Rift Region. The participation by members of the public in the radio campaign through short text messages, telephone call-ins and social media is acknowledged. The demonstrated enthusiasm was very encouraging. Also acknowledged are all the other Media Houses for carrying and disseminating anti-corruption messages in the print and electronic media.

The participation by Non State Actors in the anti-corruption sector was equally encouraging and added value to the campaign. In this regard, Transparency International – Kenya, National Taxpayers Association and Centre for Enhancing Democracy and Good Governance are singled out for the partnership and collaborative efforts in the campaign. We also acknowledge the massive support provided by GIZ under the Good Governance Support Programme which supported the activities of the County Anti-Corruption Civilian Oversight Committees in seven Counties and the development of the 2016 – 2021 NACCSC Strategic Plan.

Finally, the Chairman and Members are acknowledged for providing campaign policies, oversight and guidance in the overall campaign implementation. The Commitment by the Secretariat Staff in conceptualizing, developing and implementing campaign programmes and activities as well as the invaluable inputs is acknowledged.

G. D. Gathii

## **CHAIRMAN'S MESSAGE**

The National Anti-Corruption Campaign Steering Committee (NACCSC) is established to undertake a nationwide public education, sensitization and awareness creation campaign aimed at effecting fundamental change in the attitudes, behaviour, culture and practices of Kenyans towards corruption. The campaign is targeted at the members of public to empower them understand corruption and actively participate and support the fight against the vice.

In an effort to further the campaign, NACCSC sought to bring on board the County Governments. Towards this end, NACCSC has held high level policy meetings with Governors and County Executive Committees in a total of 39 counties. During the meetings, various strategies were discussed and agreed upon and their implementation is ongoing. I thank all the Governors for their commitment to the campaign against corruption and demonstrated support through personal participation in the anti-corruption radio campaign and the establishment and strengthening of County Anti-Corruption Civilian Oversight Committees in the respective counties. This ends a clear signal to all that the County Governments will not tolerate corruption. NACCSC looks forward to a long-term working partnership with all County Governments.

NACCSC undertakes to continue working with the public, leaders and all stakeholders in delivering functional education and awareness creation that will lead to change in how corruption is dealt with in Kenya. We will also provide platforms necessary for Kenyans to discuss and contribute ideas on how the vice can be successfully fought in all public institutions and service delivery points. We call upon the public to discard the notion that the responsibility of fighting corruption lies elsewhere. On the contrary, they are the ones who elect corrupt leaders who then perpetuate and institutionalize corruption.

Every other day, Kenyans wake up to news of incidences of corruption that has taken place in various parts of the country, leaving them wondering what could be done. With time, corruption starts appearing like it is normal and then becomes an almost acceptable culture. Kenyans must not accept this culture, the narrative needs to change that the fight against corruption can and shall be won. The beginning point is for each and every citizen not to condone any acts of corruption but play his/her role by not giving or accepting bribes and not keeping quiet when corruption takes place. The citizens should further take keen interest in the public projects and programmes being implemented in their areas and continuously demand transparency and accountability in the management of public affairs from those in positions of responsibility.

We urge all Kenyans to fight corruption wherever and whenever it occurs and make the country a better place to live in, NACCSC is ready to work with Kenyans to achieve this.

Rev. Jessie Mutura

## **EXECUTIVE SUMMARY**

### **Introduction**

The Government established the National Anti-Corruption Campaign Steering Committee (NACCSC) and appointed members through the Kenya Gazette Notice No. 6707 of 2014 – appendix I. NACCSC is mandated to undertake a nationwide public education, sensitization and awareness-creation campaign against corruption aimed at effecting fundamental changes in the behaviour, attitudes, practices and culture of Kenyans towards corruption. NACCSC comprises 14 Members drawn from Government Ministries, Departments and Agencies (MDAS) relevant to the campaign against corruption; the National Youth Council and National Council for Persons With Disabilities; Religious Organizations and Maendeleo Ya Wanawake Organization, all of which have functional structures up to the grassroots suitable for campaign implementation. Members from MDAs have designated Alternates as listed in appendix II.

The Gazette Notice requires NACCSC to prepare half-yearly reports for H.E. the President detailing the progress made in the implementation of various campaign programmes and activities. In line with this requirement, NACCSC has prepared this report covering the period 1st April, 2016 to 30th September, 2016.

### **Summary of Campaign Activities**

During the reporting period, NACCSC implemented the following campaign activities under communication, advocacy, administration and finance programmes while the Office of the Director provided overall guidance, supervision and strategic leadership.

#### **I. Policy Meetings with Vihiga and Siaya County Governments**

NACCSC held two high-level policy meetings with the Governors and County Executive Committees members in Vihiga and Siaya Counties on 26th and 28th April, 2016 respectively. The aim of the meetings was for NACCSC to seek partnership with the County Governments to jointly formulate and implement anti-corruption campaign strategies and activities at the grass root level and to rally public support in the fight against corruption. The strategies and activities were meant to act as corruption prevention measures and help create an enabling environment for the realization of the objectives of devolution.

#### **II. Programme Activities**

##### **A. Communication Activities**

###### **1. Anti-Corruption Radio Campaign**

Following the policy meetings held with County Governments in the North Rift Region during which the implementation of a radio campaign was prioritized, NACCSC conceptualized one-hour interactive talk shows through Kass FM Radio. The campaign was launched on 17th March, 2016 and ended on 23rd June, 2016. It featured Governors and other key stakeholders in the fight against corruption. The programme reached an estimated 500,000 listeners weekly with anti-corruption messages on what corruption is, manifestations, types, effects and actions to fight and prevent the vice.

## 2. Training and Study on National Values and Principles of Governance

NACCSC participated in a one-day training organized by the Constitution and Reform Education Consortium (CRECO) on 8th September, 2016 on 'National Values and Principles of Governance'. CRECO also held a meeting on 9th September, 2016 to release the findings of a study report on National Values entitled 'I was there but did not participate'. The study findings indicated that members of the public did not have adequate knowledge on the national values.

## 3. 'The Broom' Campaign Newsletter

NACCSC produced one edition of the quarterly anti-corruption newsletter branded 'The Broom' covering the period April to June, 2016 to disseminate anti-corruption messages. The newsletter was distributed online through NACCSC website and focused on public participation in the management of public affairs and social audits for publicly funded projects and programmes as tools to fight corruption.

## **B. Advocacy Activities**

### **1. County Anti-Corruption Civilian Oversight Committees**

#### **a) Consultative Meetings**

Seven County Anti-Corruption Civilian Oversight Committees (CACCOCs) held 20 consultative meetings in their counties reaching a total of 146 stakeholders to sensitize them on corruption and also rally support for the implementation of campaign activities. The meetings resulted in support for campaign activities in the CACCOCs workplans.

#### **b) Sensitization and Awareness Forums**

##### **(i) Social Audits and Public Reporting Forums**

21 social audits and public reporting forums were undertaken by eight CACCOCs reaching a total of 826 key beneficiaries and leaders with messages on what corruption is, types and effects, project cycle and corruption and preventive measures.

##### **(ii) Public Barazas**

Eight CACCOCs participated in 30 public barazas to deliver messages on corruption and the actions that citizens could take to prevent the vice. A total of 2,620 participants were reached.

##### **(iii) Capacity Building Workshops for Youth Leaders**

Seven CACCOCs held one day sensitization and capacity building workshops for 283 youth leaders to equip them with knowledge and skills necessary to fight corruption.

#### **c) Strengthening Existing CACCOCs**

25 members of the newly reconstituted Kisii and Kakamega CACCOCs underwent a two day capacity building workshops on 5th -6th and 16th -17th June, 2016 at Zonic Hotel, Kisii and Golf Hotel Kakamega respectively. The workshops were to equip the CACCOCs with knowledge and skills to enable them effectively implement the awareness creation campaign, monitor and act against corruption in the implementation of public projects and programmes and provide the support

mechanism necessary for the public to actively participate in fighting and preventing corruption at the grassroots.

#### **d) Launch of Reconstituted CACCOCs**

NACCSC launched the Embu and Kirinyaga CACCOCs in public meetings held at the Embu University Grounds and Wanguru County Stadium on 17th and 18th May, 2016 respectively. Both launches were well attended by large numbers of members of the public and graced by the Governor of Embu County H.E Hon. Martin Wambora and the Deputy Governor of Kirinyaga County H.E Hon. Julius Njiri respectively as chief guests. The guests called upon the public to participate and support the fight against corruption.

#### **e) Establishment of New CACCOCs**

NACCSC, with support from the County Governments, established new CACCOCs in Kisumu, Elgeyo Marakwet and Baringo Counties. The 27 newly appointed CACCOCs members underwent a two-day capacity building workshop held on 12th - 13th May, 2016 in Eldoret. The workshop, which was officially opened by the Deputy Governor of Elgeyo Marakwet County, H.E Hon. Gabriel Lamaon, as the chief guest, built the capacity of the CACCOCs members and provided them with knowledge and skills necessary to deliver on their mandate.

**Kakamega County CEC for Administration, Ms Rachel Okumu, with the Governor H.E Hon. Wycliffe Oparanya during the official opening of the CACCOC workshop at Golf Hotel, Kakamega**

## **2. Collaboration and Partnerships with Organizations represented in NACCSC**

Implementation of the Memoranda of Understanding (MoUs) signed between NACCSC and organizations represented in its membership to further the campaign and disseminate anti-corruption messages progressed as follows: -

(a) Development of Scripture-Referenced Anti-Corruption Messages

Pursuant to the MoU NACCSC signed with the Inter-Religious Council of Kenya (IRCK) on 8th April, 2015, IRCK and NACCSC identified and prioritized the development of Scripture-Referenced Anti-Corruption Messages that will form the basis of a nationwide behavioural change awareness campaign to be led by the Religious Leaders. A team of Theologians put together by IRCK spearheaded the development of the 'Faithful Against Corruption' Booklet containing the messages. The booklet was then handed over to NACCSC to undertake printing of an initial 10,000 copies and procurement of a service provider was in progress.

(b) Maendeleo Ya Wanawake Organizations (MYWO)

NACCSC signed a MoU with the Maendeleo Ya Wanawake Organization (MYWO) on 31st March, 2015. As part of the implementation of the MoU, NACCSC undertook sensitization and awareness creation workshops for 275 elected MYWO leaders drawn from 30 Counties organized in four regional workshops.

(c) Integrated Public Complaints Referral Mechanism

The Integrated Public Complaints Referral Mechanism (IPCRM) held two workshops for the six partnering institutions thus EACC, NCIC, KNCHR, CAJ, NACCSC and TI(K) during the reporting period. NACCSC participated in the IPCRM Annual Programme Review Meeting held at Naivasha from 6th to 10th June, 2016 where the 2016/17 annual work plan was discussed and formulated. NACCSC also participated in another meeting held in Mombasa from 12th to 16th September, 2016 for IPCRM participants drawn from the institutions in Coast Region. The workshop aimed at sensitizing the participants on the mandates of partnering institutions and, most importantly, train them on how to use the e-platform to upload and refer complaints received from members of the public online.

## **Challenges and Recommendations**

The campaign faced some challenges, arising from which some recommendations have been made as follows:-

### **1. Challenges**

Some of the challenges experienced during the reporting period included:-

- (i) A deeply entrenched culture of corruption in the Kenyan society that continued to hamper the effective fight against corruption.
- (ii) Emergence of new mega corruption scandals involving high ranking Government officials.
- (iii) Inadequate participation by the public in the management of affairs affecting them, which provided a leeway to public officials to engage in corruption.
- (iv) Inadequate capacity of Project Management Committees (PMCs) members to fight and prevent corruption in the implementation of development projects and programmes funded by the taxpayer.
- (v) Non-embrace and non-practice of the national values provided in the Constitution of Kenya, 2010 leading to high incidences of corruption.
- (vi) Complex procurement processes and inadequate information on empowerment programmes for the women, youth and persons with disabilities which promote corrupt practices e.g. Access to Government Procurement Opportunities.
- (vii) Inadequate financial resources for NACCSC to effectively implement a nationwide anti-corruption campaign.

### **2. Recommendations**

The following are the recommendations to address the above challenges:

- (i) Capacity building and involvement of Religious institutions, civil society organizations and other stakeholders to support and implement the campaign against corruption.
- (ii) Timely enforcement of the law by the concerned public institutions to punish the culprits.
- (iii) Civic education and awareness creation on the provisions of the Constitution on public participation to mobilize citizens to actively participate in the formulation and management of public affairs.
- (iv) Intensification of social audits and public reporting forums by PMCs to sensitize the public on corruption in publicly funded projects and programmes and how to prevent the vice.
- (v) Prioritization of awareness creation strategies in the overall fight against corruption.
- (vi) Examination of all Government processes and procedures in service delivery to eliminate those that encourage and promote corrupt practices.
- (vii) Intensification of the values-based anti-corruption campaign to promote the embrace and practice of national values as a tool to fight corruption and unethical conduct.
- (viii) Implementation of segment specific awareness creation on new Government initiatives and empowerment programmes for vulnerable groups.
- (ix) Increase of the financial resources allocated to NACCSC to undertake and sustain an effective awareness creation campaign nationwide.

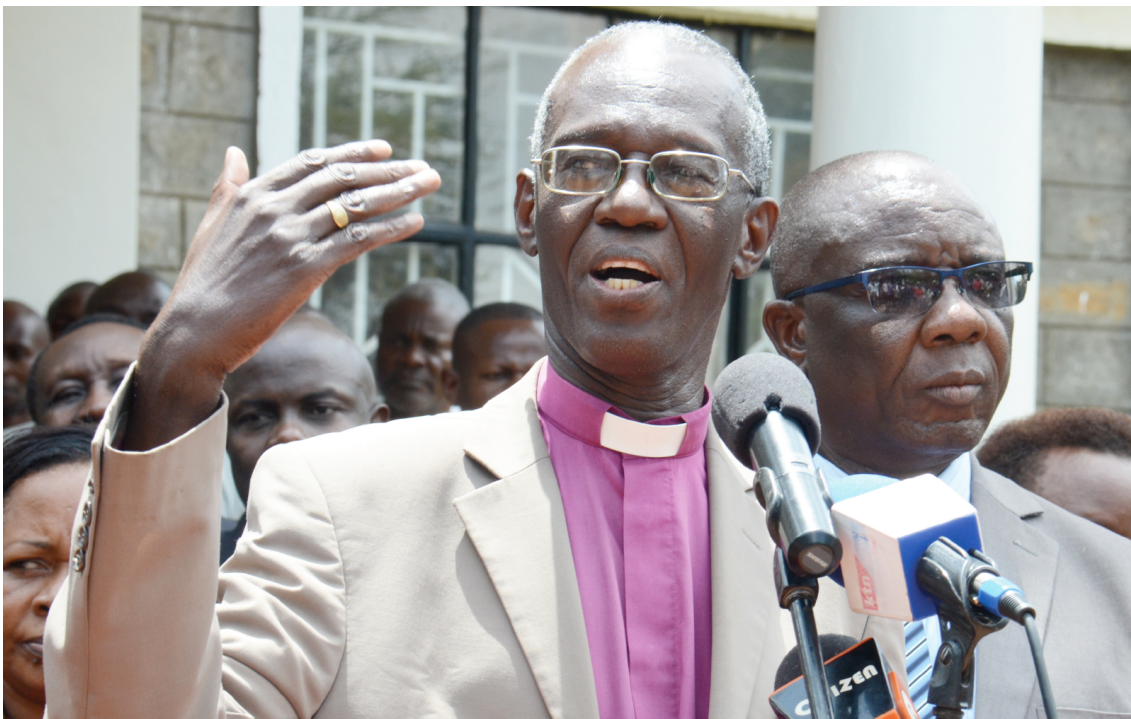

## **I. REPORTS ON POLICY INTERVENTIONS**

### **1. Policy Meetings with Vihiga and Siaya County Governments**

NACCSC held two high level policy meetings with the Governors and County Executive Committees in Vihiga and Siaya Counties on 26th and 28th April, 2016 respectively. The aim of the meetings was for NACCSC to seek partnership with the two County Governments, jointly formulate and implement anti-corruption campaign strategies and activities at the grass root level and rally public support in the fight against corruption. The strategies and activities would culminate in measures to fight and prevent corruption and help create an enabling environment for the realization of the objectives of devolution.

The campaign strategies and activities agreed upon included:-

- (i) Sensitization and awareness creation for county residents on corruption and their individual and collective responsibility to fight the vice.
- (ii) Mobilization of the public to actively participate in the fight against corruption. Specifically the public would be encouraged and empowered to become intolerant to corrupt practices and jealously guard against misuse of public resources voted for development and service delivery.
- (iii) Establishment of networks and County Anti-Corruption Civilian Oversight Committees to undertake awareness creation activities and promote transparency and accountability, monitor and address corruption in the implementation of publicly funded projects and programmes and provide support mechanism necessary for the citizens to fight corruption.

**NACCSC Chairman Archbishop Eliud Wabukala addresses members of the public outside the Vihiga County Government offices. He is flanked to his left by the Vihiga Governor H. E. Hon. Moses Akaranga.**

During the meeting with the County Government Officials, the Governor H.E Hon. Moses Akaranga called on NACCSC to involve the Religious Sector to preach against corruption. He also called for the inclusion of ethics and integrity studies in the education syllabus from early childhood so as to inculcate the right values in the young generation. He noted that this would ensure Kenyans change their attitude and behaviour towards corruption and exhibit positive values. Concerning public procurement of goods and services, he supported the introduction of the e-procurement system as it would significantly reduce face to face human interactions to help curb corrupt practices between the suppliers and public officials.

During the meeting with the County Government Officials of Siaya County, the Governor H.E Hon. Cornel Rasanga called for enhanced structures for accountability and public participation to take root in all public projects and programmes. He called on his officers to utilize resources as planned and ensure the involvement of local communities in the prioritization of projects and budgeting process. Like his counterpart in Vihiga County, the Governor also called for the inclusion of values as an examinable subject in the education curriculum and inclusion of positive moral behaviour among the youth. Both County Governments promised to provide nominees to be considered for appointment as members of the County Anti-Corruption Civilian Oversight Committees and support the campaign.

The NACCSC Chairman called on the two Governors to ensure that public officials working under them were accountable and readily availed information to the public. He also called for the identification and use of the local role models to deliver anti-corruption messages to the grassroots as people would easily relate and willingly adopt messages delivered by people they knew and respected. He further observed that the fight against corruption could and would be won only with the support of all Kenyans.

## **II. REPORTS ON PROGRAMME ACTIVITIES**

Implementation of the campaign activities was undertaken within four broad areas as detailed below while the Directorate continued to provide strategic leadership and overall guidance:-

### **A. COMMUNICATION ACTIVITIES**

In the reporting period, the following campaign activities were implemented under Communications:-

#### **1. Anti-Corruption Radio Campaign**

NACCSC conceptualized an interactive anti-corruption radio campaign as agreed upon with the County Governments in the North Rift Region during the high level policy meetings held in May 2015 and, through the Government Advertising Agency (GAA), procured the services of Kass FM Radio Station to undertake the campaign for a period of twelve (12) weeks. The campaign aimed to sensitize members of the public residing in the Region on corruption, types and manifestations, effects, actions and the role of citizens in fighting and preventing corruption. The campaign, transmitted in Kalenjin vernacular language, started on 17th March 2016 and ended on 23rd June, 2016.

Invited guests to the programme included six Governors from Elgeyo Marakwet, Nandi, Baringo, Uasin Gishu, Trans Nzoia and Kericho Counties and other strategic partners in the fight against corruption as detailed in Appendix III. During the period, eleven programmes were transmitted, including one live Town Hall meeting for two hours held in Eldoret town on 23rd June, 2016 that brought together the Governors and listeners of the programme from the region.

**A section of guests at the Eldoret Town Hall meeting from left Governor of Nandi County H.E Dr Cleophas Lagat; Deputy Governor of Baringo County, H.E Mathew Tuitoek and NACCSC Chairman Archbishop Eliud Wabukala.**

The programme reached an estimated 500,000 listeners weekly who actively participated by sending short text messages and social media posts. The programme achieved the set objective.

## 2. Training and Study on National Values and Principles of Governance

NACCSC participated in a one-day training organized by the Constitution and Reform Education Consortium (CRECO) on 8th September, 2016 on 'National Values and Principles of Governance'. CRECO is a consortium of 23 Civil Society Organizations (CSOs) with grassroots presence in 15 Counties. 30 participants were sensitized on the NACCSC mandate and values-based anti-corruption campaign. They expressed interest in working with NACCSC in the Counties they operate in.

On 9th September, 2016, CRECO held a meeting for its CSOs and State Actors, key among them the Ethics and Anti-Corruption Commission, National Cohesion and Integration Commission, Kenya National Commission on Human Rights, the Directorate of National Values and National Cohesion and NACCSC during which findings of a study report on National Values entitled 'I was there but did not participate' were released. The findings indicated that members of the public did not have adequate knowledge on the national values which portends a challenge to the implementation of the values based anti-corruption by NACCSC. A similar workshop was held in Kisumu from 26th to 30th September, 2016 and NACCSC again participated through the Kisumu County Anti-Corruption Civilian Oversight Committee (CACCOC).

## 3. 'THE BROOM' Campaign Newsletter

One edition of the anti-corruption campaign newsletter 'The Broom' was produced during the reporting period. It contained articles on campaign activities implemented from 1st April to 30th June, 2016. The 12-page e-newsletter was disseminated online through the NACCSC website (i.e. [www.naccsc.go.ke](http://www.naccsc.go.ke)). During the period 1st July to 30th September, 2016, no edition was produced as there were minimal activities.

## B. ADVOCACY ACTIVITIES

During the reporting period, implementation of advocacy campaign activities was as follows:

### 1. County Anti-Corruption Civilian Oversight Committees

In the reporting period, the County Anti-Corruption Civilian Oversight Committees (CACCOCs), which are established pursuant to paragraph 5 (h) of the Gazette Notice to undertake awareness creation at the grassroots, implemented campaign activities as follows: -

#### a) Consultative Meetings

Seven CACCOCs held 20 consultative meetings in their counties reaching a total of 146 stakeholders as summarized in table 1 below.

**Table 1: Summary of Consultative Meetings**

S/No.	CACCOC	No of Consultative Forums	No of Participants Reached	No of IEC Materials Distributed
1	Embu	4	23	-
2	Meru	3	19	-
3	Kirinyaga	3	42	-
4	Nairobi	3	20	-
5	Narok	1	5	1
6	Makueni	3	13	4
7	Kisii	3	24	-
	<b>Grand Total</b>	<b>20</b>	<b>146</b>	<b>5</b>

The meetings were organized to sensitize the stakeholders on corruption and rally support for the implementation of campaign activities. The responses were positive and elicited enthusiasm resulting in massive support in the implementation of the planned activities, specifically social audits and public reporting forums and the launch of both the Embu and Kirinyaga CACCOCs - see details in Appendix IV.

## **b) Sensitization and Awareness Forums**

### **(i) Social Audits and Public Reporting Forums**

21 Social Audits and Public Reporting Forums were undertaken by eight CACCOCs namely Kirinyaga, Nairobi City, Meru, Makueni, Narok, Garissa, Bungoma and West Pokot reaching a total of 826 key beneficiaries and leaders with anti-corruption messages. Specifically, they were sensitized on what corruption is, types and effects; stages in the project cycle, how corruption can affect the projects and preventive measures such as election of project management committees, provision of information on funds allocated, sources and duration of implementation, among other measures – see details in Appendix V.

### **(ii) Public Barazas**

Eight CACCOCs participated in 30 public barazas organized in the Embu, Meru, Nairobi City, Kirinyaga, Bungoma, Kakamega, Kilifi and Kisii counties organized by various stakeholders reaching a total of 2,620 participants. The forums were organized by various stakeholders. Anti-corruption messages disseminated included what corruption is, types, manifestations, effects, benefits of fighting corruption and the actions that should be taken to fight and prevent the vice — see details in Appendix VI.

### **(iii) Capacity Building Workshops for Youth Leaders**

Meru, Kilifi, Mombasa, Makueni, Taita Taveta and Garissa CACCOCs held one day sensitization and capacity building workshops each for a total of 283 youth leaders as summarized in table 2 below: -

**Table 2: Summary of Sensitization Workshops Held by CACCOCs for Youth Leaders**

<b>NO</b>	<b>CACCOC</b>	<b>Workshop Date</b>	<b>No of Participants</b>	<b>Venue</b>
1.	Meru	21st April, 2016	91	Imenti Central CDF Hall
2.	Kilifi	20th June, 2016	47	North Coast Beach Hotel
3.	Mombasa	21st June, 2016	25	North Coast Beach Hotel
4.	Makueni	21st June, 2016	33	Wote Technical Training Institute
5.	Taita/Taveta	23rd June, 2016	27	Coast Institute of Technology
6.	Garissa	23rd June, 2016	60	Garissa Teachers Training College
<b>Total Participants</b>			<b>283</b>	

The objective of the workshops was to equip the youth leaders with knowledge and skills necessary to fight and prevent corruption. Specifically, the leaders were trained on what corruption is, types and manifestations; effects on the society, actions that should be taken and most importantly, the role of the youth in the fight against corruption. Participants were also sensitized on the opportunities available for youth empowerment and Access to Government Procurement Opportunities (AGPO) rolled out by the Government for youth, women and persons with disabilities.

**Taita Taveta County youth leaders at the Coast Institute of Technology, Voi where they participated in a sensitization and capacity building workshop.**

The National and County Governments in the six counties fully supported the workshops and provided high ranking officials to facilitate the official opening ceremonies. The officials lauded the initiative by NACCSC to target the vulnerable sector of society, the youth, that constantly bears the brunt of corruption as they transitioned from schools and colleges into the job market. The youth were challenged to embrace and practice positive values, involve themselves in gainful employment through various empowerment initiatives by the National and County Governments, avoid being idle and vulnerable to crime and to promote transparency in their undertakings as ways of fighting corruption.

At the end of the workshops, the youth were in agreement that they had a major role in fighting and preventing corruption and promised to take up that role. They acknowledged that preventing corruption from occurring in the first instance was less expensive and far more beneficial to Kenyans than running after corrupt individuals who already had embezzled or diverted public funds for their personal use. They also agreed to use the knowledge gained to hold their leaders to account and ensure proper utilization of public resources.

***(iv) Sensitization Workshop for Ntakira Water Project Management Committee, Meru County***

The Meru CACCOC undertook a capacity building and sensitization workshop for 75 newly elected Ntakira Water Project Management Committee (PMC) members in Meru County from 9th to 12th March, 2016. The workshop was officially opened by the County Executive Committee (CEC) member in charge of Water and Environment, Meru County. The following topics were covered by facilitators drawn from NACCSC, EACC and County Government of Meru (Department of Social Services): NACCSC mandate, understanding corruption, detecting and reporting corruption, social audit

and corruption in the project cycle, role of PMC in managing projects, records management as a tool to fight corruption, public financial management and budgetary process, communicating anti-corruption messages, GOK procurement, procedures and processes; water project management and monitoring progress. The workshop was a follow-up to recommendations made during a social audit and public reporting forum undertaken in April, 2015 during which the project beneficiaries demanded that NACCSC sensitizes the new PMC on how to fight and prevent corruption in the implementation of public projects.

### **c) Strengthening Existing CACCOCs**

NACCSC reconstituted the Kisii and Kakamega CACCOCs and took the 25 new members through a two day capacity building workshop each, on 5th -6th and 16th - 17th June, 2016 at Zonic Hotel, Kisii and Golf Hotel, Kakamega respectively. The objective of the workshops was to equip the CACCOCs with knowledge and skills to enable them effectively implement the awareness creation campaign, monitor and act against corruption in the implementation of public projects and programmes and provide support mechanism necessary for the public to actively participate in fighting and preventing corruption at the grassroots. The workshops were officially opened by the respective CEC Members in charge of Public Service and Administration and addressed by the Governors of Kisii and Kakamega Counties respectively. The Governors appealed to the CACCOC members to sensitize the public on the need to participate in and own development projects being implemented in their localities and not to condone theft of construction materials.

**Kisii CEC Member, Mrs. Peris Onsarigo conferring with NACCSC Ag. Director, Mr. David Gathii, during the official opening of the Kisii CACCOCs workshop at Zonic Hotel, Kisii**

### **d) Launch of Reconstituted CACCOCs**

The Embu and Kirinyaga CACCOCs were officially launched in public meetings held at the Embu University Grounds and Wanguru County Stadium on 17th and 18th May, 2016 respectively. Both launches were well attended by large numbers of members of the public and graced by the Governor of Embu County, H.E Hon. Martin Wambora

and the Deputy Governor of Kirinyaga County H.E Hon. Julius Njiri respectively as chief guests. The launch helped create awareness on the existence of the CACCOCs in the two counties and their functions.

The two Governors pledged their total support for the campaign against corruption and welcomed the initiative to establish the CACCOCs. They called upon the residents of the two counties to join and actively participate in the fight against corruption for improved service delivery and development in the Counties. They also promised the public that their respective County Governments would support and work closely with the CACCOCs to ensure the public was fully involved in the development programmes and projects, promoting transparency and accountability and prudent utilization of public funds. They appealed to members of the public to assist the County Governments by whistle-blowing on incidences of corruption so that timely action would be taken.

### **e) Establishment of New CACCOCs**

NACCSC, with support from the County Governments of Kisumu, Elgeyo Marakwet and Baringo established new CACCOCs in the three Counties. The 27 newly appointed CACCOCs members underwent a two-day capacity building workshop on 12th - 13th May, 2016 at Queens Garden Hotel, Eldoret which was officially opened by the Deputy Governor of Elgeyo Marakwet County, H.E Hon. Gabriel Lamaon, as the chief guest. He welcomed the establishment of CACCOCs and pledged that his Government would work closely with the Elgeyo Marakwet CACCOC to create awareness on corruption at the grassroots so as to effectively fight the vice. He observed that the involvement of members of the public in decision making at the County level was a critical role that must be taken seriously, hence the need to be adequately sensitized on their role, a task that CACCOC members could effectively undertake.

**A section of the newly appointed CACCOC members drawn from three counties during a workshop to build their capacity.**

The workshop equipped the CACCOC members with knowledge and skills necessary for the discharge of their functions. At the end of the workshop, the CACCOCs were directed to each hold inaugural meetings to elect a Chairperson and a Secretary. The Secretariat Staff would, thereafter, guide them in preparing their 2016/2017 workplans. The workshop was facilitated by officers drawn from NACCSC Secretariat, Kenya National Commission on Human Rights (KNCHR), Ethics and Anti-Corruption Commission (EACC) and the County Government of Elgeyo Marakwet.

## **1. Collaboration and Partnerships with Organizations Represented in NACCSC**

Implementation of the Memoranda of Understanding (MoUs) signed between NACCSC and organizations represented in its membership to further the campaign and disseminate anti-corruption messages progressed as follows: -

### **(a) Development of Scripture-Referenced Anti-Corruption Messages**

Pursuant to the MoU that NACCSC signed with the Inter-Religious Council of Kenya (IRCK) on 8th April, 2015, both institutions identified and prioritized the development of Scripture-Referenced Anti-Corruption Messages that will form the basis of a nationwide behavioural change campaign to be led by the Religious Leaders. A team of Theologians put together by IRCK spearheaded the development of the 'Faithful Against Corruption' Booklet containing the messages. The booklet was validated in a workshop held on 4th August, 2016 at the All Africa Conference of Churches, Nairobi and attended by top Religious Leaders in Kenya. The Theologians thereafter, held a series of meetings during which the messages were approved and the booklet then handed over to NACCSC to undertake printing of an estimated initial 10,000 copies and procurement of a service provider was in progress.

### **(b) Maendeleo Ya Wanawake Organizations (MYWO)**

NACCSC signed a MoU with the Maendeleo Ya Wanawake Organization (MYWO) on 31st March, 2015 to further the campaign. As part of the implementation of the MoU, NACCSC undertook sensitization and awareness creation workshops for 275 elected MYWO leaders drawn from 30 Counties organized in four regional workshops held as indicated in table 3 below: -

**Table 3: Summary of Sensitization Workshops for Elected MYWO Leaders**

<b>No</b>	<b>Date</b>	<b>Venue</b>	<b>Region</b>	<b>Counties Covered</b>	<b>Participants</b>
1.	5th – 8th April, 2016	Mombasa Beach Hotel	Coast	Mombasa, Kwale, Kilifi, Tana River, Lamu and Taita Taveta	57
2.	22nd - 26th May, 2016	Milele Hotel - Nakuru	Rift Valley	Kajiado, Narok, Nakuru, Laikipia, Trans Nzoia, Samburu, Baringo, Kericho, Bomet, Nandi, Uasin Gishu, Elgeyo Marakwet, West Pokot and Turkana	113
3.	5th - 9th June, 2016	Zonic Hotel - Kisii	Southern Nyanza	Kisii, Nyamira, Homa Bay and Migori	41
4.	13th - 17th June, 2016	Golf Hotel - Kakamega	Central Nyanza & Western	Kakamega, Busia, Vihiga, Bungoma, Siaya and Kisumu	64
<b>Total</b>				<b>28</b>	<b>275</b>

**MYWO National Chairman, Mrs. Rahab Muiu (second from right, front row) with officials and participants drawn from all counties in the Coast Region during the official opening of the Anti-Corruption Sensitization Workshop in April, 2016**

Facilitators for the workshop were drawn from NACCSC, Office of the Attorney General and Department of Justice, Independent Electoral and Boundaries Commission and MYWO. The following topics were covered: NACCSC mandate, understanding corruption, social audit and corruption in the project cycle, role of women in the fight against corruption, opportunities in the constitution for the fight against corruption, budgeting and public participation, AGPO, communicating anti-corruption messages and corruption in the electoral processes.

The workshops were officially opened by the National Chairman, MYWO and closed by Deputy County Commissioners as was the case in Mombasa and Kakamega while Governors of Nakuru, Kisii and Kakamega Counties addressed the participants. Participants indicated the workshops were useful and promised to carry the messages back to the electorate in their respective counties. They called upon NACCSC to deepen the collaboration with MYWO by rolling out the workshops for leaders in the Sub-County and Ward levels to establish a critical mass of anti-corruption crusaders right to the grassroots.

### **(c) *Integrated Public Complaints Referral Mechanism***

The Integrated Public Complaints Referral Mechanism (IPCRM) held two workshops for the six partnering institutions thus EACC, NCIC, KNCHR, CAJ, NACCSC and TI(K) during the reporting period. NACCSC participated in the IPCRM Annual Programme Review Meeting held at Naivasha from 6th to 10th June, 2016 where the 2016/17 annual work plan was discussed and formulated. NACCSC also participated in another meeting held in Mombasa from 12th to 16th September, 2016 for participants drawn from the Coast Region including Mombasa, Kilifi and Taita Taveta CACCOC Chairpersons and the Coast Regional Anti-Corruption Coordinator. The workshop, which NACCSC facilitated as the chair of the IPCRM Communications Committee, aimed at sensitizing the participants on the mandates of partnering institutions and, most importantly, train them on how to use the e-platform to upload and refer complaints received from members of the public online. The training will increase efficiency.

## **C. ADMINISTRATION ACTIVITIES**

Under administration activities, administrative and logistical support was provided to various campaign activities generated and implemented by the programme desks.

### **1. Administrative and Logistical Support**

All programme campaign activities were provided with administrative and logistical support. These included preparation and distribution of letters to the County Governments and other stakeholders; organizing transport for the NACCSC members, staff and IEC materials; registration and facilitation of participants; securing venues for the sensitization workshops and forums, production and distribution of briefs, preparation of training materials, social audits and reporting forums and radio campaign programmes. All the activity venues were branded appropriately.

### **2. Anti-Corruption Training for NACCSC Members**

Two NACCSC members, thus the Vice Chairperson and the representative of the Managing Director, Kenya Broadcasting Corporation, were granted scholarships to undergo anti-corruption training at the International Anti-Corruption Academy (IACA) Regional Summer Academy – Eastern Africa, held in Kampala, Uganda from 2nd to 9th September, 2016. The training was of great benefit to the campaign as it equipped the members with knowledge and skills necessary to fight and prevent corruption.

### **3. 2016-2021 NACCSC Strategic Plan**

The process of preparing the 2016-2021 Strategic Plan, with support by GIZ under the Good Governance Support Programme, was started on 12th April, 2016 when the consultant reported to work. The consultant has already received and consolidated the inputs from the Secretariat staff, CACCOCs, field officers and stakeholders into a draft plan. NACCSC members also provided their inputs and the plan will next be subjected to validation by the stakeholders.

## **D. FINANCE**

### **Finance and Accounts Services**

The Finance and Accounts Section facilitated the implementation of programmed campaign activities through preparation and follow up of procurement, requisitions for goods and services, preparation and processing of imprests, payments and local purchase/service orders. The section also provided advice on financial matters during the planning of campaign activities.

#### **1. 2015/2016 Financial Year - Budget Implementation**

During the 2015-16 financial year, NACCSC was initially allocated KShs 123,689,665 million which was, however, revised downwards in May, 2016 by KShs 6,072,000 to KShs 117,617,665. By 30th June, 2016, NACCSC recorded an overall expenditure of KShs 111,945,513.60 as summarized in table 4 below: -

**Table 4: Summary of Expenditure – 2015/2016 Financial Year as at 30th June, 2016**

<b>Source of Funds</b>	<b>Total Allocation (KShs)</b>	<b>Total Expenditure (KShs)</b>	<b>Under Expenditure (KShs)</b>	<b>Absorption Rate</b>
GOK	117,617,665	111,945,513.60	5,672,151.40	95%

The under-expenditure of KShs 5,672,151.40 reflected in table 4 above arose due to inadequate exchequer issue for payment of goods and services procured during the third and fourth quarters of the 2015/2016 financial year. The unpaid bills were carried forward to form the first charge on the 2016/17 financial year budgetary allocation.

#### **2. 2016/17 Financial Year - Budget Implementation**

NACCSC was allocated a total of KShs 118,040,000 to cater for campaign activities and recurrent expenditure in the 2016/17 financial year as compared to KShs 117,617,665 in the 2015/16 financial year, an increase of KShs 422,335. NACCSC carried pending bills from the 2015/16 financial year amounting to KShs 5,672,151.40. The first quarter, July to September, of the 2016/17 financial year was utilized in preparing and uploading the procurement plan as required by the new e-procurement system before any new procurement could be initiated. This, together with processing of the pending bills, led to delays in the implementation of the campaign activities. Consequently, NACCSC recorded an overall expenditure of KShs 11,048,795.10 equivalent to 19% of the half year allocation of KShs 59,020,000 for the reporting period.

#### **3. Auditing**

Funds allocated to NACCSC are audited under the Office of the Attorney General and Department of Justice by the Auditor-General. All the funds were expended in accordance with the Public Financial Management Act, regulations and circulars issued by the National Treasury from time to time. No adverse reports or audit queries were received in the reporting period.

## **Challenges and Recommendations**

The campaign faced some challenges that impacted negatively on the overall fight against corruption, arising from which NACCSC makes some recommendations as follows:-

### **1. Challenges**

Some of the challenges experienced during the reporting period included:-

- (i) A deeply entrenched culture of corruption in the Kenyan society that continued to hamper the effective fight against corruption.
- (ii) Emergence of new mega corruption scandals involving high-ranking Government officials.
- (iii) Inadequate participation by the public in the management of affairs affecting them, which provided a leeway to public officials to engage in corruption.
- (iv) Inadequate capacity of Project Management Committees (PMCs) members to fight and prevent corruption in the implementation of development projects and programmes funded by the taxpayer.
- (v) Non-embrace and non-practice of the national values provided in the Constitution of Kenya, 2010 leading to high incidences of corruption.
- (vi) Complex procurement processes and inadequate information on empowerment programmes for the women, youth and persons with disabilities which promote corrupt practices e.g. Access to Government Procurement Opportunities.
- (vii) Inadequate financial resources for NACCSC to effectively implement a nationwide anti-corruption campaign.

### **2. Recommendations**

The following are the recommendations to address the above challenges:-

- (i) Capacity building and involvement of Religious institutions, civil society organizations and other stakeholders to support and implement the campaign against corruption.
- (ii) Timely enforcement of the law by the concerned public institutions to punish the culprits.
- (iii) Civic education and awareness creation on the provisions of the Constitution on public participation to mobilize citizens to actively participate in the formulation and management of public affairs.
- (iv) Intensification of social audits and public reporting forums by PMCs to sensitize the public on corruption in publicly funded projects and programmes and how to prevent the vice.
- (v) Prioritization of awareness creation strategies in the overall fight against corruption.
- (vi) Examination of all Government processes and procedures in service delivery to eliminate those that encourage and promote corrupt practices.
- (vii) Intensification of the values-based anti-corruption campaign to promote the embrace and practice of national values as a tool to fight corruption and unethical conduct.
- (viii) Implementation of segment specific awareness creation on new Government initiatives and empowerment programmes for vulnerable groups.
- (ix) Increase of the financial resources allocated to NACCSC to undertake and sustain an effective awareness creation campaign nationwide.

# APPENDIX I – KENYA GAZETTE NOTICE NO 670

A GAZETTE

26th September, 2014

GAZETTE NOTICE NO. 6707

## THE NATIONAL ANTI-CORRUPTION CAMPAIGN STEERING COMMITTEE

### APPOINTMENT

1. IT IS notified for the general information of the public that His Excellency, Uhuru Kenyatta, President and Commander-in-Chief of the Defence Forces of the Republic of Kenya, has established a Committee to be known as the National Anti-Corruption Campaign Steering Committee ( hereinafter referred as the "the Committee" comprising the following:

Eliud Wabukala (Archbishop)—(*Chairperson*).

Jessie Mutura (Ms.)—(*Vice-Chairperson*).

Rahab Mwikali Muui (Mrs.).

Jardine Mgharo Mwangeka (Mrs.).

Jacline Akinyi Maganda (Ms.).

Francis Ng'ang'a.

Adan Wachu.

The solicitor-General, Office of the Attorney-General and Department of Justice.

The Principal Secretary, National Treasury.

The Principal Secretary, Ministry of Devolution and Planning.

The Principal Secretary, Ministry of Information, Communication and Technology.

The Managing Director, Kenya Broadcasting Corporation.

The Chairman, Ethics and Anti-Corruption Commission.

The Director, National Anti-Corruption Campaign Steering Committee.

2. The Members of the Committee, except the Director appointed under paragraph 6, shall hold office for a period of five (5) years.
3. The functions of the Committee shall be to undertake a nationwide public education, sensitization and awareness creation campaign aimed at effecting fundamental changes in the attitudes, behaviour practices and culture of Kenyans towards corruption.
4. In the performance of its functions under paragraph 3, the Committee shall—
- develop policies for strengthening the campaign against corruption;
  - establish a strategic framework for the nationwide campaign against corruption;
  - develop indices for regular monitoring and evaluation of the anti-corruption campaign and publicly report on the progress made in the campaign;
  - identify and engage partners in developing a mechanism for their effective participation in the campaign against corruption;
  - develop a mechanism for engaging strategic stakeholders and the general public to evolve a strong anti-corruption culture and participate in the fight against corruption;
  - identify and facilitate mobilization of resources required to achieve the goals and objectives of the campaign; and
  - carry out such other functions as may be necessary or incidental to the success of the campaign;
5. In the performance of its functions the Committee—
- shall be responsible to His Excellency the President;
  - shall work closely with the Ethics and Anti-Corruption Commission;
  - shall prepare half yearly reports for His Excellency the President;
  - shall hold such number of meetings in such places and at such times as the Committee shall consider necessary for the prudent discharge of its functions;
  - may use official reports of any previous investigations relevant to its mandate;

(f) may cause to be carried out such studies or research as may inform the Committee on its mandate;

(g) shall have all the powers necessary or expedient for the proper execution of its functions, including the power to regulate its own procedures; and

(h) may create offices and networks in the Counties to expedite the discharge of its functions.

6. The Secretariat of the Committee:

(1) There shall be a Director appointed by the Attorney-General, who shall be the Head of the Secretariat and the Chief Executive Officer of the Committee and such other staff as shall be necessary.

(2) The Secretariat shall be provided by the Office of the Attorney General and Department of Justice.

(3) The Secretariat shall be responsible to the Committee for: -

(i) providing appropriate background briefing to the Committee;

(ii) policy interpretation, developing and implementing campaign programmes and activities;

(iii) Preparing the Committee's reports and disseminating any information deemed relevant to the Committee; and

(iv) undertaking research and liaising with other anti-corruption bodies to gather the relevant information necessary for informing the Committee.

7. Gazette Notice No. 9854 of 2011 is revoked.

Dated the 19th September, 2014.

UHURU KENYATTA,  
*President.*
